

LITTLE HELPERS . . . Laurie (left) and Caroline Watts help their mother, Polly, (Mrs. Kenneth Watts) as she prepares a number of campaign letters for the mall. Mrs. Watts is making a determined bid for one of the two seats at stake in next Tuesday's school board election. The Watts live at 145 Monte D'Oro in the Riviera.

Busy Candidate Campaigns Without Missing a Meal

How does a busy housewife find time to conduct an all-out campaign for election to a public office?

It can be done, says Pauline (Polly) Watts, without missing a family meal.

Of course, between times, she's plenty busy—about 50 "cooffees" in five weeks, half a dozen public forums in which each of the candidates are invited, meetings before clubs and groups, and literally hours on the telephone.

SHE HAS SOME eager help from her two daughters, Caroline, an eighth grader at Parkway School, and Laurie, a sixth grader at the school. They have been busy handling much of the campaign mail chores in addition to having a little extra responsibility around the house during the campaign.

Husband Kenneth, yacht sailmaker whose business at 20905 Earl St. has turned out sails for some of the world's most famous racing vessels, is

kept busy with his firm's business, but manages to add his bit to the campaign as time permits.

THE WATTS, who live at 145 Monte D'Oro in the Riviera, have been Torrance residents for more than 15 years. While he has kept busy providing sails for the world's yachts and sailing with the outstanding racing crews (he has a trip coming up to England in the near future in the trans-Atlantic races), Mrs. Watts has been busy in a large number of civic projects.

She is vice chairman and an active force in the Torrance Citizens Committee for the South Bay College; was a member of the Torrance Civic Center Committee which created a master plan for the city's governmental complex; is a leader of Girl Scouts, active in the Lutheran Church of the Resurrection, member of the Torrance League of Women Voters, the American Red Cross; and helped obtain the El Retiro Library and installa-

tion of sewers in the Riviera section.

SHE ALSO IS past secretary, treasurer and board member of the Riviera Homeowners, and a past treasurer of the Torrance Educational Advisory Committee.

After a busy civic record like that, Mrs. Watts indicates that campaigning for election isn't too demanding. She promises to exert the same energy to the problems of the city schools if elected to the Board of Education Tuesday.

Dr. Claude Cooper of Rhodasia will begin a two-week series at 7:15 p.m. with a talk on the theme, "Spiritual Preparation for the Times in Which We Live."

Dr. Cooper is the author of three books which have been highly acclaimed by critics in South Africa, and has traveled extensively. Pastor Lowen said, "He described Dr. Cooper as 'a speaker of note, brilliant and masterful in his presentation.'"

Triumph Of Christ Explained

The meaning for today of Christ Jesus' complete triumph over the flesh will be emphasized this Sunday at all Christian Science churches.

Golden Text: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit" (Romans 8:1).

The Bible lesson is entitled, "Are Sin, Disease, and Death Real?" Related readings include this passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit, as Jesus destroyed them."

Few men progress, except as they are pushed along by events. — E. W. Howe.
